KENYATTA UNIVERSITY

EXAMINATION FOR THE DEGREE OF BACHELOR OF EDUCATION

ECT 211: CONTEMPORARY PEDAGOGIES IN TEACHER EDUCATION

1ST SEMESTER 2024/2025

TIME: 2 HOURS

BY RAYVE OCHENG; 0742600411

INSTRUCTIONS: ANSWER QUESTION ONE AND ANY OTHER TWO QUESTIONS OF YOUR CHOICE.

1. Schools in Kenya are implementing the new Competency Based Curriculum (CBC). As teachers, teach the new curriculum, they are expected to ensure there is effective learning and assessment of the learning. Answer the following regarding the teaching and learning process.
 - (a) Choose ONE goal of education in Kenya and explain how it relates to any of your teaching areas. (5 marks)
 - (b) Demonstrate how a lesson in your teaching represents a system. (5 marks)
 - (c) Explain THREE (3) advantages of expository teaching approach. (6 marks)
 - (d) Outline THREE (3) ways that technology can be used to enhance motivation in learning. (3 marks)
 - (e) Identify SIX (6) differences among learners in a class that may influence learning. (6 marks)
 - (f) Explain the concept of assessment as learning in the context of your teaching area. (5 marks)

SIR OTONDE MICHAEL -DELEGATE

2. Communication and collaboration is one of the competencies emphasized by the CBC.
- (a) What is your understanding of communication and collaboration and its relevance in teaching and learning. (5 marks)
 - (b) Discuss FIVE (5) steps you will use to enhance collaboration and communication in one of the teaching areas. (10 marks)
3. (a) Identify FIVE (5) strategies for innovative learning. (5 marks)
- (b) For each strategy identified in (a) above and using examples in given strand in one of your teaching areas, explain how you can employ the strategy in teaching. (10 marks)
5. (a) Identify TWO (2) values in CBC and illustrate how you can integrate them in a lesson in one of your teaching areas. (5 marks)
- (b) Explain how learning outcomes influence the choice of learning experiences in one of your teaching areas. (10 marks)

4. a) Differentiate between oral & aural assessment
b) Explain 5 uses of assessment tools used in assessing competencies in learning.

ECT 211: CONTEMPORARY PEDAGOGIES IN TEACHER EDUCATION

AUGUST SESSION 2024

TIME: 2HOURS

BY RAVINE OCHENG; 0742600411

INSTRUCTIONS: Answer question ONE and any other TWO questions of your choice

1. Teachers are facilitators of learning in the Competency Based Curriculum (CBC).

Answer the following questions based on any of your teaching areas.

- (a) Explain the relationship between learning outcomes and learning experiences in one of your teaching areas. (6 marks)
- (b) Highlight **FOUR (4)** components of a school as a system. (4 marks)
- (c) Explain the stages of Kolb's experiential learning cycle as a learning approach. (4 marks)
- (d) Outline **FOUR (4)** benefits of feedback in enhancing motivation among learners. (4 marks)
- (e) Identify **SIX (6)** advantages of service learning as an instructional method. (6 marks)
- (f) Explain any **TWO (2)** principles of competency based assessment in learning. Give an example in each case. (6 marks)

2. Innovative learning is a fast growing aspect of modern pedagogy.

- (a) Identify **FIVE (5)** characteristics of modern pedagogies of teaching and learning. (5 marks)
- (b) Discuss **FIVE (5)** advantages of remote labs with reference to one of your teaching areas. (10 marks)

3. Open Education resources (OER) are a collection of digital technology materials that are readily available online.

- (a) Describe **TWO (2)** ways in which you can use OER materials for instruction in one of your teaching areas. (6 marks)
- (b) Discuss **THREE (3)** limitations of teaching large classes in one of your teaching areas. (9 marks)

SIR OTONDE MICHAEL -DELEGATE

4. (a) Explain the concept of motivation in the classroom in relation to teaching and learning. (3 marks)
- (b) Discuss FOUR (4) aspects of a project as a tool for assessing learner's competencies. (12 marks)
5. (a) Identify FIVE (5) ways to promote effective communication in teaching and learning. (5 marks)
- (b) With reference to one of your teaching areas explain the components of a lesson plan. (10 marks)

EXAMINATION FOR THE DEGREE OF BACHELOR OF EDUCATION

ECT 211: CONTEMPORARY PEDAGOGIES IN TEACHER EDUCATION

1ST SEMESTER 2023/2024

BY RONNE OCHENG; 074260041

TIME: 2 HOURS

INSTRUCTIONS:

Answer Question ONE and any other TWO Questions

Question One

The lesson plan is perceived as the most important document for effective teaching and learning, examine the attached lesson plan and answer the questions that follow:

Lesson plan

Teacher: Ms. Katunge Ndunda **Reg. No.** E35/2002602/2019
School: Omollo High School
Form: 4W
Learning Area: Geography
Strand: Natural Resource in Kenya **Sub-strand:** National Parks and Game reserves in Kenya

Specific Learning Outcomes

By the end of the lesson, learners should be able to:

- (i) Differentiate between National parks and game reserves
- (ii) Locate the position of major national parks and game reserves on the map of Kenya
- (iii) Explain the importance of national parks and game reserves in Kenya
- (iv) Appreciate the importance of protecting wild animals in the parks and game reserves in Kenya.

Core competences - Communication and collaboration

Core Values - Respect for wild animals

PCI - Environmental preservation

SIR OTONDE MICHAEL -DELEGATE

Duration	Learning experiences	Learning Resources	References
Introduction (5 mins)	Learners view video clip of different wild animals and identify their names and habitat	- A pre-recorded video clip	
Main body (30 Mins)	Step I Learners differentiate between National Parks and Game reserves in pairs	- Textbooks (give the name of the text books and the page - Dictionaries	Kenya literature Bureau Geography form 4 fourth Edition 2018, NAIROBI Pages 61 to 63
	Step II Learners locate different National Parks and Game reserves on the map of Kenya	A map of Kenya	
	Step III In small groups of 5 to 6 learners discuss the importance of National Parks and Game reserves. Group leaders reporting the group findings on importance of National parks game reserves Make notes on importance of National Parks and Game reserves to the country	Writing board for noting down group findings and the additional points from the teacher	
Conclusion (5 Mins)	Students answering questions on the covered content. Assignment drawing map of Kenya showing the national parks and game reserves	Map of Kenya showing the National parks and the Game reserves	

(a) Besides the Question and Answer method identify the teaching methods to be used in the provided lesson plan under:

- | | |
|-----------------------------------|-----------|
| (i) The introduction part | (1 mark) |
| (ii) The lesson presentation part | (3 marks) |
| (iii) The conclusion part | (1 mark) |

CONTINUING EDUCATION PROGRAMME (CEP) 2023/2024

EXAMINATION FOR THE DEGREE OF BACHELOR OF EDUCATION

ECT 211/202: CONTEMPORARY PEDAGOGIES IN TEACHER EDUCATION

DECEMBER 2023 SESSION

TIME: 2 HOURS

BY ANIVE OCHENG 0742600411

INSTRUCTIONS: ANSWER QUESTION ONE AND ANY OTHER TWO

QUESTION ONE (30 MARKS)

In one of your teaching areas, choose a sub- strand and:

- a) State two learning outcomes you would achieve by end of a lesson (2 Marks)
- b) State three heuristic methods that you would apply in teaching it (3 Marks)
- c) Explain any three motivational strategies which you would put in place to enhance class participation (6 Marks)
- d) Identify any four individual differences among your learners in the classroom and explain how you will cater for them (8 Marks)
- e) Identify two problems which require computational learning skills to solve them during your lesson (2 Marks)
- f) Explain how effective communication is important in the management and control of your classroom instruction (9 Marks)

QUESTION TWO

- a) Give 4 reasons why schemes of work prepared for one group may not be suitable for another group (4 Marks)

SIR OTONDE MICHAEL -DELEGATE

b) Discuss the relevance of social theory to classroom teaching and learning (11 Marks)

QUESTION THREE

- a) Discuss how you would execute collaborative learning in a given strand in your learning areas (7 Marks)
- b) Explain three barriers to effective communication during teaching and learning process (8 Marks)

QUESTION FOUR

- a) Outline three advantages of using Experiential Learning theory in instruction (3 Marks)
- b) Discuss how you will apply Kolb's experiential learning theory in your teaching and learning process (12 Marks)

QUESTION FIVE

- a) Differentiate between formative and summative evaluation (3 Marks)
- b) Describe the rationale of emphasizing formative evaluation against summative under Competency Based Curriculum (6 Marks)
- c) Explain three methods which are used in assessing learning outcomes under CBC. (6 Marks)

BY RAVIVE OCHIENG; 0742600411

DELEGATE

- (b) Differentiate between learning outcomes and core values as used in the above lesson plan. (4 marks)
- (c) With examples from the lesson plan explain how you can develop collaborative skills among the learners. (5 marks)
- (d) Formulate two questions from the main body of the lesson and one other question from the conclusion stage of the lesson that you are likely to ask. (6 marks)
- (e) Explain how the concept of systems approach has been applied in the preparation of the provided lesson plan. (10 marks)

QUESTION TWO

- (a) Explain the main role of the teacher and the role of the learners in modern pedagogy. (5 marks)
- (b) Explain the importance of using service learning in teaching and learning. (4 marks)
- (c) Highlight the procedure you would follow in carrying out a project in one of your teaching subjects. (6 marks)

QUESTION THREE

- (a) What motivational strategies would you put in place while handling a class with extremely disruptive students? (6 marks)
- (b) The teacher is often perceived as the most important factor in creating a conducive learning environment
- (i) What do you understand by a 'conducive learning environment? (4 marks)
- (ii) If financial resources and freedom to restructure the classroom is provided, what specific actions ^{you} would take in relation to the classroom walls. (5 marks)

QUESTION FOUR

- (a) Identify a specific learning difference among your students and explain the strategies you would put in place to provide for the specific need. (6 marks)
- (b) In your class you have a student who has been sexually ^{abused} bullied and another one who hardly takes breakfast in the morning.
- (i) Identify the type of communication barriers the two learners are likely to have. (1 mark)
- (ii) Explain how the teacher can cater for each of these learners for effective learning. (8 marks)

- (b) Differentiate between learning outcomes and core values as used in the above lesson plan. (4 marks)
- (c) With examples from the lesson plan explain how you can develop collaborative skills among the learners. (5 marks)
- (d) Formulate two questions from the main body of the lesson and one other question from the conclusion stage of the lesson that you are likely to ask. (6 marks)
- (e) Explain how the concept of systems approach has been applied in the preparation of the provided lesson plan. (10 marks)

QUESTION TWO

- (a) Explain the main role of the teacher and the role of the learners in modern pedagogy. (5 marks)
- (b) Explain the importance of using service learning in teaching and learning. (4 marks)
- (c) Highlight the procedure you would follow in carrying out a project in one of your teaching subjects. (6 marks)

QUESTION THREE

- (a) What motivational strategies would you put in place while handling a class with extremely disruptive students? (6 marks)
- (b) The teacher is often perceived as the most important factor in creating a conducive learning environment
- (i) What do you understand by a 'conducive learning environment? (4 marks)
- (ii) If financial resources and freedom to restructure the classroom is provided, what specific actions ^{you} would take in relation to the classroom walls. (5 marks)

QUESTION FOUR

- (a) Identify a specific learning difference among your students and explain the strategies you would put in place to provide for the specific need. (6 marks)
- (b) In your class you have a student who has been sexually ^{abused} bullied and another one who hardly takes breakfast in the morning.
- (i) Identify the type of communication barriers the two learners are likely to have. (1 mark)
- (ii) Explain how the teacher can cater for each of these learners for effective learning. (8 marks)

SIR OTONDE MICHAEL -DELEGATE

QUESTION FIVE

(a) Differentiate between formative and summative evaluation. (3 marks)

(b) Explain the rationale of emphasizing formative evaluation against summative under Competency Based Curriculum. (6 marks)

(c) Describe three methods which are used in assessing learning outcomes under CBC. (6 marks)
